

February 12, 2024

Dear Patient,

We are writing to share some exciting news with you. On March 1, Women's Clinic of Lincoln and Advanced Skin & Body Aesthetics will join Bryan Physician Network. This partnership strengthens our ability to serve you, the Lincoln area, and surrounding communities.

We will continue to provide personalized, quality women's health care and aesthetic services to you at our same Women's Clinic of Lincoln and Advanced Skin & Body Aesthetics locations (200, 220 and 230 Lyncrest Dr.). All current and future appointments you have scheduled remain in place.

***Our commitment to providing excellent care to you remains:***

- Same doctors, providers and staff
- Same office hours, location, phone/fax number and website
- Accepting most insurance plans as before; however, there may be a few differences, so we encourage you to check with your insurance company after March 1 to verify ongoing coverage

***Additional benefits for you:***

- In the future, we will have new online payment options, a new patient portal and other new services for you. (Please continue to use our current online payment options and patient portal until future updates.)
- As these become available, we will have information in our offices and on our websites: [womensclinicoflincoln.com](http://womensclinicoflincoln.com) and [advancedskinbody.com](http://advancedskinbody.com).

We look forward to continuing to care for you. If you have questions, please call us at **402-434-3370 - Women's Clinic of Lincoln** or **402-484-4231 - Advanced Skin & Body Aesthetics**.

Sincerely,

James J. Maly, MD

Stephen G. Swanson, MD

***Advanced Practice Providers:***

Molly Snow, APRN

Paula Railsback, APRN

Jackie Oden, APRN

Jodi Wegner, APRN

Courtney Sams, APRN

Andrea Roberts, APRN
